## Track Your Progress

The Consistency Club Program is back again, and this year's program is more rewarding than ever before! The all-new Consistency Club 2020 features a great new way to earn, along with an exciting lineup of can't-miss prizes.™

## 4 Steps to Success

Consistency is an important part of any successful business, and you deserve to be rewarded as you take the steps to master this important skill. That's why the new Consistency Club 2020 is simple, fun, and full of spectacular prizes!™

This year's program is all about being consistent in your rank throughout each quarter.\* Ambassadors with a Paid Rank of Silver through Senior Ruby are eligible to participate. Follow the steps below and watch your business grow!™

### Step 1: Get Started

Identify your Qualified Paid Rank to set your starting point. Then, determine your goals for the quarter, create your action plan, and get things moving!

### Step 2: Maintain Your Rank

You've achieved your Paid Rank before, and you can do it again! You'll earn big with your choice of an amazing prize when you maintain your Qualified Paid Rank throughout the entire quarter. Plus, you can always shoot for even bigger goals and rank up during the quarter!™ Check out the Official Rules for information about rank ups.

### Step 3: Keep Consistent

Keep the momentum going through each quarter...and beyond! Not only can you earn prizes for every quarter you maintain your Qualified Paid Rank, you'll also have the chance to achieve a special Annual Prize when you qualify for all four quarters.™

### Step 4: Lead the Way

Your consistency not only pays off by growing your business and helping you earn fabulous prizes, it can also inspire others to follow your lead. Work with your team members to map out their own action plans, so they, too, can earn big!™
