Plexus TriPlex™

Healthy gut. Happy you.®*

A Great Business Growth Opportunity

It's a fact, millions of people struggle to manage their weight. Unhealthy eating habits and an unbalanced gut microbiome can make weight management even more challenging. Plexus TriPlex is here to help! This powerhouse system is clinically demonstrated to help you lose weight, and now offers targeted solutions for both hunger control and optimal gut health.*

Triplex Trio Combination

1. REMOVE HARMFUL MICROBES WITH BIO CLEANSE*

Bio Cleanse works to remove harmful microbes and substances, supporting your body's natural detoxification processes. It also helps clear out the gastrointestinal tract, meaning your digestive system can work the way it should.*

2. RESTORE BALANCE WITH PROBIO 5*

ProBio 5 helps restore a healthy balance to your intestinal tract and responds to imbalances in the gut. Its formulation delivers 2 billion microorganisms in each capsule at the time of manufacture.*

3. CHOOSE YOUR TARGETED SLIM BENEFITS

Whether you'd like to support healthier eating habits or unlock the power of an optimally-balanced gut microbiome, you can customize your TriPlex experience by choosing your preferred Slim weight loss benefits.*

SLIM HUNGER CONTROL*

Stave off hunger with increased polydextrose, a unique fiber that attracts water and takes up space in your stomach to help you feel full and satisfied, and reduces your desire to overeat.*

SLIM MICROBIOME ACTIVATING*

Support optimal gut health with xyooligosaccharide (XOS). This special prebiotic fiber helps your microbiome thrive by activating friendly microbes.◇*

◇The results of an in vitro human gut simulator study suggest that Slim's formula may have several beneficial effects. Further research, including research conducted in humans, is needed to confirm these preliminary findings. Results may vary from person to person.

Develop Your TriPlex Story

Your Triplex story is a **30 second** “commercial” about your experience with TriPlex. Write it down, practice it, and share it!

Your TriPlex story might sound like this:

(TriPlex with Slim Hunger Control)

I’ve really been focused on my health lately, especially when it comes to improving my eating habits. I also never realized that the health of my gut played a major role in managing my weight. Thankfully, I found Plexus TriPlex. It’s a three-step system that helps support optimal gut health and promotes healthier eating habits by reducing my desire to overeat. Not only is it clinically demonstrated to promote weight loss, TriPlex helps me keep my gut microbiome in balance, which means less digestive issues, improved mood states, and benefits to my overall health! I’m sold!*
